- Enriched published reports by providing detailed-heavy research, resulting in more engaged readers.
- Brought a youth perspective to heavy social issues to help reach younger audiences and have their voices heard.

LEADERSHIP & CLUB EXPERIENCE

Association for Computing Machinery (ACM)

Amman, Jordan

President

Jan 2024 – Jan 2025

- Started developing methods to create a problem-solving community at HTU.

Secretary

Jul 2022 – Dec 2022

- Entrusted with a diverse range of responsibilities, including but not limited to form creation, form management, attendance tracking through the creation of Excel spreadsheets, and drafting and sending professional-grade emails.
- Utilized my brainstorming/problem-solving skills to find solutions to issues faced within the club.

First-year representative

Dec 2021 – Jul 2022

- Assigned various demanding roles such as teaching assistant, organizer, etc.
- Utilized social skills to encourage students to voice their opinions and feel comfort in speaking up.

Game Development and VR Club (GDVC)

Amman, Jordan

Event Manager

Jan 2022 – Aug 2022

- Organized student-centered events and streamlined weekly planning

TECHNICAL & SOFT SKILLS

- Data Analysis & Visualization:** Expert in Python (Pandas, NumPy), SQL, Power BI, and Tableau.
- AI Engineering:** LLM Fine-Tuning, Retrieval-Augmented Generation (RAG), and Machine Learning.
- Automation:** RPA Development (UiPath) and Python-based workflow automation.
- Software Development:** Full-Stack Development and scalable server infrastructure.
- Soft Skills:** Technical Mentorship, Business Development, Strategic Problem Solving, and Bilingual Communication (Arabic/English).

EDUCATION

AI Hussein Technical University (HTU)

Amman, Jordan

Data Science and Artificial Intelligence, Class of 2025

Oct 2021 – Aug 2025

- GPA:** 3.66/4.00 | **Distinction**

AWARDS

First place

Amman, Jordan

Royal Health Awareness Society

May 2026

Achieved the First-place position with my teammate Sanad for a reproductive health app solution.

Second place

Amman, Jordan

AI Hussein technical university AI Hackathon

Oct 2024

Achieved the second-place position in an AI Hackathon hosted by HTU with my team at the time.

Third place

Amman, Jordan

Hakeem Annual Academy Competition – Electronic Health Solutions

Oct 2024

Achieved the Third-place in HAAC solo for my project collecting postpartum depression data and predicting it using ML algorithms.

Second Place

Amman, Jordan

Generative AI Hackathon - Tahalouf UAE

Jan 2024

Achieved the second-place position in an AI Hackathon hosted by Tahalouf at Intercontinental Hotel Amman with my team at the time.

Math Finalist

Amman, Jordan

HTU Math Marathon

May 2022

Achieved a position in the top 10 amongst 100 students in a Math Competition hosted by HTU.
